

# English Institute of Sport Future Stars

**GET AHEAD**  
PARTNERSHIP

EDUCATION. SPORT. WELLBEING

The Get Ahead Partnership will again be looking to run a trip to the English Institute of Sport (EIS) in Sheffield this academic year on **Wednesday 23<sup>rd</sup> January 2019**. Transport for pupils and staff will be organised with local coach companies, with central pick up and drop off points. This is included with your Enhanced or Essential Package.

We are hoping that your gifted and talented pupils in Sport and Physical Education will be able to attend as part of the 'Future Stars' initiative in North Lincolnshire.

The trip shall consist of a guided tour around the EIS elite sports complex, including the indoor athletics' track. The facility is also the training venue for a number of sports including: Athletics; Basketball; Boxing; Fencing; Futsal; Judo; Netball; Table Tennis; Volleyball. There are many clubs which meet at the venue including City of Sheffield Athletic Club, Sheffield Sharks, City of Sheffield Arrows, Sheffield Sword Club, Concorde Netball Club, England Netball, and England Volleyball. During the visit there will also be two sporting activities to participate in, including one on the indoor athletics track.

This is a tremendous opportunity to inspire our gifted and talented pupils within North Lincs, encouraging them to continue to flourish in the field of sport and physical activity and overall raise their aspirations. The EIS is one of the premier training facilities in the UK, and houses many elite level athletes. Seeing this will hopefully spur our young people on to become the best that they can be, in sport, or any aspect of their lives. We hope you will be able to join us on this excellent day!

Booking for four young people and one member of staff to attend this opportunity can be made through the website [www.letsgetahead.co.uk/competitions-and-courses/competitions](http://www.letsgetahead.co.uk/competitions-and-courses/competitions).
