Worlaby Primary School
Althorpe & Keadby Primary School
St Bernadette's Catholic Primary Academy
Winterringham Primary School
Alkborough Primary School
Oakfield Primary School
Bowmandale Primary School

Outline of the Day

The Get Ahead Partnership organised the fifth annual Sports Force Primary Ambassador's Academy training day at the Pods on Thursday 19th October 2017. The event was attended by twenty seven primary and junior schools from across North Lincolnshire, each bringing four students from Key Stage 2. The event was redesigned to link with the delivery of the Sports Force Leadership Programme available to primary schools. The Sports Force Ambassador's Academy was a practical day where young people had the opportunity to learn their role as an ambassador and practice leadership skills that could be taken back to their schools, to be put into practice in a variety of settings such as lunchtime activities and after school clubs.

The event was delivered by School Games Organisers, 'Get Going' Physical Activity & Health Coaches and School Sport Activators from the Get Ahead Partnership. The Sports Force Ambassadors put their new skills into practice by delivering Dodgeball, Sports Force & Lunchtime Games and All Stars activity sessions to their peers. The emphasis was around setting up equipment correctly to deliver to others, interpreting written instructions, rules and guidelines and the accuracy of measuring and recording results. All Sports Force Ambassadors' were given the opportunity to plan ideas and activities they would like to assist with back in their own schools. This varied between recording results at sports days, organising additional intra school competitions, through to helping other students to lead and officiate and ensuring all PE and sports equipment was audited and kept tidy. Good luck to all the Sports Force Ambassadors' enjoying their new roles this year.
