

Exciting New Career Opportunity Physical Activity and Health Coach

**PHYSICAL ACTIVITY AND HEALTH COACH
GRADE 5 (£17,072-£18,446)
Fixed Term Contract until March 2019**

The Get Ahead Partnership (hosted by Baysgarth School) are looking for a dynamic, inspirational and reliable sport and fitness professional with excellent communication skills to work with young people and families across North Lincolnshire.

The Get Ahead Partnership is a school based, not for profit service with a close connection to our local primary, secondary and special schools. We provide a vital service in physical activity, health and wellbeing to give our young people every opportunity to be healthy in both mind and body.

This role will be key to delivering and developing our healthy weight initiatives including the Get Going Programme which focuses on working with young people aged 4-16 years old (and their families) who are above a healthy weight on a 1 to 1 basis and working with schools on our 'Let's Get Healthy' project which takes a whole school approach to tackling childhood obesity.

If you are committed to developing high quality sport and physical activity programmes, have lots of enthusiasm and ideas, and a can do approach, we would like to hear from you.

We are committed to safeguarding and promoting the welfare of children and young people and expect the same commitment from all staff and volunteers.

If you are inspired by the challenge and responsibility of these opportunities, we would like to hear from you.

Further details and an application form can be downloaded from North Lincolnshire Council website www.northlincs.gov.uk/jobs
