Teams attending the event:

*Brumby Juniors
St Peters & St Pauls
Lincoln Gardens*

Brumby Cluster: Year 5/6 Sports Hall Athletics

On Monday 8th February 90 Year 5/6 pupils from the schools of Brumby Juniors, St Peters & St Pauls and Lincoln Gardens took part and competed against each other in a series of athletic based activities. The event was supported by leaders from Outwood academy from Years 8,9 & 10, who managed, judged, and completed scoreboards. The students had a fantastic time, demonstrating their abilities in various running, jumping and throwing events. In the end we celebrated the many successes of all teams with certificates and stickers, and medals were awarded for for the first three in each school. Congratulations to all the students on their excellent efforts during the competition, and especially to Brumby Juniors who came first overall. Good luck to them in the next round on 25th February. Thank you to all the pupils, teachers and student leaders who made this a successful event.
