KEY STAGE 1

MONDAY

30mins

GYMNASTICS

ACTIVITY

BODY PART BALANCE

Your challenge will be to create as many balances as you can using large or small body parts.

1. On a piece of paper write down all your body parts which are large.
2. On another piece drop down all your body part which are small.
3. Ask one of your family members to shout of one of your listed body parts, this must then be included in your balance.
4. Try and keep your body as still as possible during these balances, hold your muscles tight.

How many can you do?

Which ones can you hold?

Can you link any of the balances together?

EQUIPMENT NEEDED

- None needed.

How can you demonstrate self belief throughout this challenge?

MAKE IT EASIER...

Start with easy balances, that include both feet

MORE OF A CHALLENGE

Can you do balance with your tummy facing towards the ground and towards the sky?

MAKE IT INCLUSIVE

Do balances with both small and large body parts together.

LEAD OTHERS

Can other members of your family copy your balances?

KEY STAGE 1

SENDING AND RECEIVING

TUESDAY

30mins

ACTIVITY

Bip it Bop It

- You will need someone in your family to shout instructions
- Stand in an open space with a ball
- You must listen out for the following instructions and be ready to act quickly.

Pat it – Pat the ball in the air with your palm and catch it.

Bounce it – bounce the ball on the floor and catch it.

Wind it – pass it around the body.

Swap it – swap the ball with someone else's.

Jump it – throw the ball in the air and jump to catch it.

Roll it – roll the ball, follow it and pick it back up before it stops.

Spin it – throw the ball up, spin around and catch it.

The leader should mix the order of instructions as the game progresses.

What other rules can you make?

EQUIPMENT NEEDED

- 1 ball per person or a bundle of socks.

How can you demonstrate determination throughout this challenge?

MAKE IT EASIER...

Master 3 instructions first before adding more
Use a larger ball or balloon, instead of a Tennis ball.

MORE OF A CHALLENGE

Add your own skills to the list, what can you call it?

Try a smaller object

Can you play with your family? If you get one point per completed instruction, who can score the most? Or who can get to 30 first?

MAKE IT INCLUSIVE

Use different balls for each person

LEAD OTHERS

Let your family be creative and introduce their own rules!

KEY STAGE 1

WEDNESDAY

SENDING AND RECEIVING

ACTIVITY

This activity is all about to exploring how different things roll or move. And how you can use parts of your body to strike and make them move.

1. Put a shoe in the space in the middle of your room, this is your target?
2. Find 3 toys at home, these should be as different as possible. Think ball, teddies, cars
3. Explore how using different parts of your body can make these toys move/push towards the target. (please be careful if using hard objects)
4. Which parts of your body moves the object most accurately?
5. Can you hold onto anything to move or strike the object too. Does this make it easier or harder?

EQUIPMENT NEEDED

- A shoe
- A variety of toys

How can you demonstrate passion throughout this challenge?

MAKE IT EASIER...

Stand closer to the shoe
Can you explore one object first and use your hand, foot, knee, elbow, head to move the object

MORE OF A CHALLENGE

Stand further away from the shoe
Can you gain points for hitting the shoe?

MAKE IT INCLUSIVE

Use longer object for pushing objects, swap the shoe for another object on a table and see how things roll on a table.

KEY STAGE 1

LOCOMOTION

THURSDAY

ACTIVITY

Upside down, right way round

- Ideally you will need 2 people in this game.
- Make a clear space, spread out your toys half being the right way round and half upside down.
- During a set time, one person will be aiming to put all the toys the right way round, and one upside down.
- Ask someone to say go, then race to turn the toys over. After 30 seconds stop.
- Who has the most toys their way round?
- Play again using a different way of moving

EQUIPMENT NEEDED

- Lots of teddies, or or toy cars
- A family member

How can you demonstrate determination throughout this challenge?

MAKE IT EASIER...

Put the toys close together

MORE OF A CHALLENGE

Put the toys further apart.
Add a jump after you have turned over
Can you move in different ways for each game, crawling, hopping, jumping walking, running?

MAKE IT INCLUSIVE

Put things high on sofas as well as on the floor

KEY STAGE 1

SENDING AND RECEIVING

FRIDAY FUN

30mins

ACTIVITY

Target Throw

- The participant stands behind a line and throws three items into the target placed at 3 metres
- The target is then moved to 5 metres and the process is repeated.
- 4 points if the item lands in the target.
- 2 points if the item bounces out of the target or if the item touches the floor before the target.
- Tennis Balls, Rolled up socks or small soft toys can be used.
- A washing basket, paper bin, cardboard box or dog basket are example target items.

EQUIPMENT NEEDED

- 3 soft small items
- 1 target item such as bin or washing basket.

How can you demonstrate honesty throughout this challenge?

MAKE IT EASIER...

- Increase the size of the target item.
- Move the target item closer than 3m or 5m
- Put more than one target item at each distance.

MORE OF A CHALLENGE

- Decrease the size of the target item.
- Move the target item further than 3m or 5m
- Add additional scoring distances at 7m and 9m if space is available.
- Put targets at the same distance but at different heights above the ground using a wall or a table or a chair

MAKE IT INCLUSIVE

The Target Drop can be used for participants with severe mobility problems gradually moving them away from the target after each success to record improvement.

LEAD OTHERS

Encourage family members to join and set own challenges.
